OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE

Bangalore,....15th..February..... ... 1929

No. 1214 Su File 28-9

FROM

P. G. D'Souza, Esq., B.A., P.L.,
The Muzrai Commissioner in Mysore.

To

P. Srinivasa Iyengar, Esq., B.A., P.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

Adverting to G.O.No.F. 2/Mz.379-30-8 dated the 11th May 1928, recording the Inamdar Deputy Commissioner's decision of opening a school in one of the Inam lands endowed to Srigandha Sri Chattram at Kolur in the Hosakote taluk is being accumulated with a view to provide funds for the preservation of the Chattram building, I have the honor to state that in this office order No.D1 Dis.F of 35-36 dated 10th July 1928, an estimate for Rs.3044/- for repairing the Chattram building was sanctioned, the work being entrusted to the Public Works Department. It is now reported by the Amildar that repairs have been effected.

The Inam lands were leased out for a period of 3 years at an annual rental of Rs.603-12-0 from the year 1926-27, though the lease was actually given effect to only from 1927-28 and the period expires by the end of 1929-30.

Mr. Srinivasa Rao, the Inamdar, applied to the Deputy Commissioner for the permission to collect the rental dues from the tenants for the payment of the balance left out of the amount sanctioned for defraying the cost of repairs on the ground that the repairs of the Chattram building has been completed. Both the Amildar and the Sub Division Officer recommend that the rental dues may be allowed to the Inamdar at the end of the current year. The Deputy Commissioner-in-Charge has also agreed.

In the interests of the chattram, it does not seem expedient hand over its management to Mr. Sreenivasa Rao, who was persistently - negligent in putting the chattram in good repair, inspite of several -- opportunities given to him. Moreover Mr. Sreenivasa Rao does not stop at Gulur, where the chattram is located. He seems to be staying at --- Nanjangud from where he cannot manage the institution satisfactorily. think that for the afore-said reasons it is not desirable to restore the management of the chattram and its endowment to the Inamdar. The ---- management of the chattram and its richly endowed lands may well ---- continue to remain with Government.

On receipt of Government orders, the Deputy Commissioner will be asked to further lease the Inam lands and arrange for the minor -- repairs to the chattram, as pointed out therefor.

A copy of the Deputy Commissioner's letter and the records received therewith are herein enclosed.

Early orders of Government may kindly be obtained.

I have the honor to be,

Sir,

Your most obedient servant,

Mysore Commissioner.

Letter No.M.2010-28-9 dated 22nd January 1929 from the Deputy Commissioner, Tumkur District to the Muzral Commissioner in Mysore.

- - - - -

In submitting herewith, the entire file of records dealing with Tumkur Sub Division Officer's Memo No.P.R.356/28-29 dated the 17th --- November 1928, connected with the repairs to the Krishnappa's Chavadi at Gulur Village, in Tumkur Taluk, I have the honor to state as follows:-

2. As per your Memo No.Dl Dis.57/27-28 dated 7th July 1928, the work was entrusted to the P.W.D. and the Amildar reports in his No.87/27-28 - dated 6-10-1928 that it has been completed, but the water in the bath-room instead of flowing out, sinks into the foundation about which mention has been made in the completion certificate. He further proposes that a small varandah should be put up to prevent damage to the mud walls from rain - and rain.

3. Mr. Sreenivasa Rao, Inamdar, has been making frequent representations for the restoration of the Inam lands and also for the payment of the amount available at the credit of the Institution. The Amildar from whom a report was called for in the matter states that the Inam lands were leased out for a period of 5 years from 1923-24 and the sale records were submitted on 12-5-1923 to the Sub Division Officer for confirmation of the sale and they were returned after confirming the sale on 11-3-1924. As the cultivation season for 1923-24 was over by the time, the lessee came into the possession of the lands only from the year 1924-25 and hence the period of 5 year's lease expires with the year 1928-29. He therefore recommends that the lands might be restored to the Inamdar after the close of the current year.

4. With regard to the 2nd prayer of the Inamdar viz., the refund of the amount at the credit of the institution, the Amildar reports that a sum of Rs.2,242-1-10 had accounted accumulated to the credit of the institution out of which a sum of Rs.2,014/- was debited to the P.W.D. after the work was completed, a cheque for Rs.104-11-0 being the saving effected out of the sanctioned estimate, had been received from the P.W.D. but the same had not been credited. Thus, a sum of Rs.193-1-10 remains at the credit of the institution. Besides, there is yet a sum of Rs.216-13-0 to be recovered from the lessees. Under the foregoing circumstances, the Amildar and the Sub Division Officer recommend that the Inam lands might be restored to the Inamdar at the close of the

the current year and also to pay the amount which might remain at the credit of the institution at that time. They further recommend that case-taker on pay of Rs.7/- per mensem may also be entertained till the new building is handed over to the Inamdar.

5. In the circumstances, I request to be informed whether the lands may be restored to the Inamdar.
